Camping & Rafting

Down the Dniester

Fashion show of lifejackets

We settled out on a...

... lake-slow river, Dniester

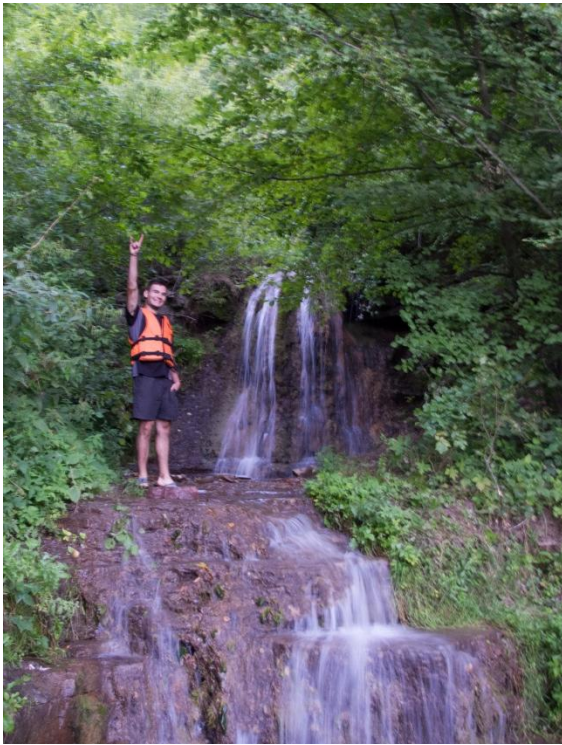

“Over-paddled,” first break

Man over board!

First waterfall rocked

Raising our campsite

Banquet

Strategy, strategy, strategy...

Breaking physics laws

Morning roosters?

Nope, morning cows!

Bye-bye, cows!

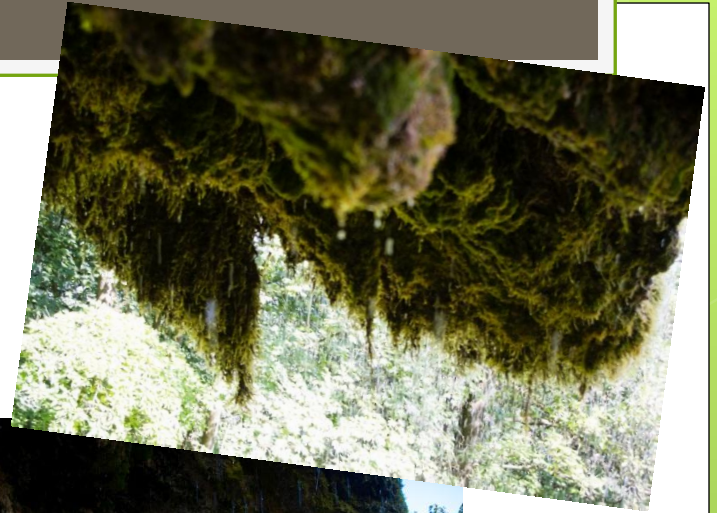

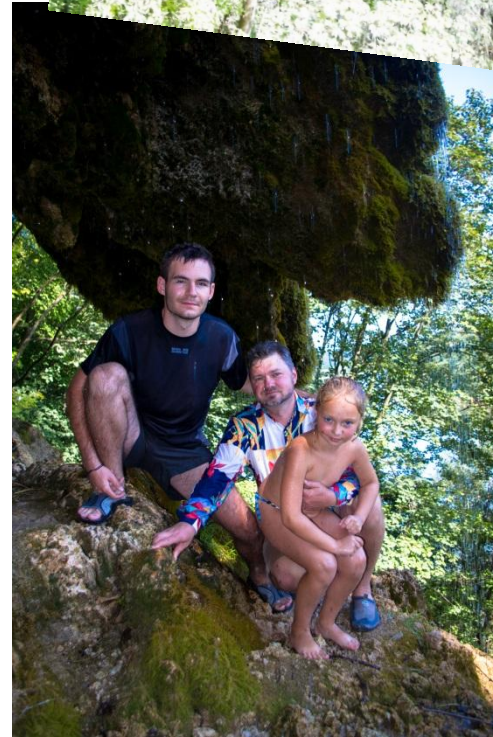

Last wish?

(Raft hijacked by the first Georgian terrorist!)

Please, waterfall!

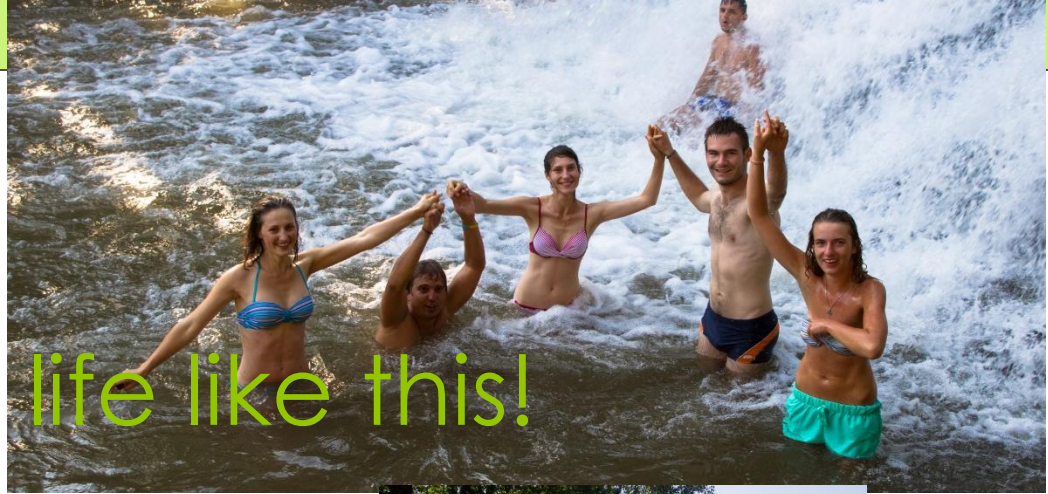

Cows? Again?!

Overcoming fears...

...to enjoy life like this!

?! ¿?

What's...?

Hope, that was only
a dream...

Thank you for your attention

End
somewhere
there...
